We are delighted to welcome you to our campsite this summer.

To ensure your freedom throughout your holiday, and following recent government announcements, you must present a health pass, once, on arrival at the campsite. Good news for families, children under 18 years of age are exempt from health pass until 30 August inclusive.

It may be in digital or paper format.

This pass allows you access to all of the campsite's facilities and activities throughout the duration of your stay.

The health pass can be in digital or paper format and is proof of :

1. Full vaccination :
  - 1 week after the 2<sup>nd</sup> injection for 2 shot vaccines (Pfizer, Moderna, AstraZeneca) ;
  - 4 weeks after the injection for single shot vaccines (Johnson & Johnson de Janssen) ;
  - 2 weeks after the injection for people who have been infected by Covid (single injection).
2. Negative RT-PCR or antigen test result taken within 48h
3. or positive RT-PCR to prove you have recovered from Covid-19 within the last 6 months and more than 11 days ago.

If you live outside of France:

Non-vaccinated people (fully vaccinated), must present a negative PCR test or antigen test carried out less than 72 hours before departure.

Non-vaccinated people travelling from the United Kingdom, Portugal, Cyprus, Netherlands and Greece, must carry out a test less than 24 hours before departure.

Don't hesitate to contact us if you require further information.
